Fostering is the gateway between neglected or abused pets to their happily ever after lives. When you foster, you agree to take a pet into your home and give them love, care and attention, either for a predetermined period of time or until the pet is adopted. Fosters' care can truly heal and mend broken bodies and spirits both human and canine. There is no fee for fostering. We do appreciate if you are willing to provide food at your own cost.

Adopting a pet is a meeting of the heart as well as of the mind. It is a lifetime commitment to an animal that will be your loving companion and your best friend. BBR thanks you for your interest in one of our pets.

Texas Pricing

- \$300 for All Dogs and Puppies (Altered)
- \$350 for Puppies Unaltered (we will reimburse \$50 once we receive confirmation)
- \$250 for Seniors
- \$150 for Cats

Outside of State Pricing

- \$500 for All Dogs and Puppies regardless of age, this includes Transport Fee
- \$150 for Cats

BBR ensures all dogs are microchipped, vaccinated, and spayed/neutered (if old enough). Young puppies come with at least two round of vaccines, microchipping and deworming. If in Texas, we will reimburse back \$50 towards the spay/neuter at recommended age of 6 months old. If a dog is Heartworm positive we also cover this treatment (as well as any known pre-existing medical expenses agreed upon prior to adoption). Please note we incur expenses from as low as \$0 all the way up to \$10,000+ depending on the dogs needs so this adoption fee helps us with expenses incurred by saving this pet as well as future pets in need.

Keep in mind, completing an application does not guarantee a dog or cat it simply helps you determine if you are ready to properly care for one and helps Belle's Buds Rescue (BBR) match the best pet to your lifestyle. A phone interview, meet and greet, home visit and contract are still to follow.

Completing the application in detail in turn paints a picture for us of the kind of home that the dog will be going to. Therefore it is important to answer in detail as our goal is to ensure the pet and adopter is a perfect match!
